Implementation of National Academic Depository (NAD)

All the students from 2013-14 batch to PhD 2017-18 and new UG batch 2018-19 and onwards are informed that institute is implementing the National Academic Depository (NAD) of Govt. of India.

Under the scheme, all records will be maintained online (Grade Cards, Degree, other certificates and awards). Provision is also made through NAD for Verification of these documents by your employer and other universities (for higher education).

You all are required to register in National Academic Depository in your own interest to access your documents on the basis of Aadhar ID this will avoid duplicacy of your ID in NAD system.
